

## The Maple St Co-op is moving forward – help us plan the journey...

We'd like to know the major goal or goals you have for the Co-op. Staff and directors have put forward a number of thoughts – from on-line sales to engaging the membership. What would **you** like to see?

You can use the back of this form if you have lots to say. Or you can simply set out one simple goal in the box below. Then return this form to the Co-op by 29 February 2012. Alternatively you can email your response to: [manager@maplestreetco-op.com](mailto:manager@maplestreetco-op.com)
